Ultimate champion.

Superior performance
even on highly recycled
corrugated boxes.

3M

Unmatched adhesion to seal even the toughest boxes.

Scotch® High Tack Box Sealing Tape 371+

Scotch® High Tack Box Sealing Tape 371+ provides a tamper-evident seal with the highest strength and durability in tough environments. You can be assured your boxes will stay closed throughout the supply chain no matter the percentage of recycled content — even in cold temperatures. Scotch® High Tack Box Sealing Tape 371+ is ideal for food and beverage, electronics and e-fulfillment industries.

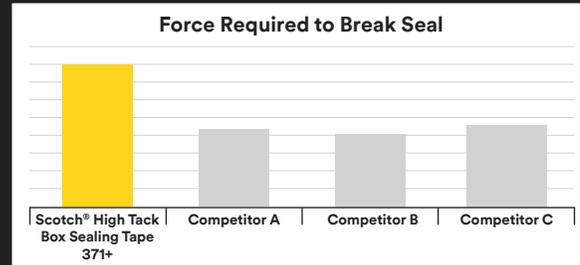

Features and benefits:

- Adheres to a variety of surfaces, including on corrugated boxes with 100% recycled content.
- Once applied, performs well at temperatures as low as 30°F (-1.1°C).
- Tamper-evident, clear tape can be custom printed to promote your brand.
- Quick, easy application by hand, manual dispensers or 3M-Matic™ Case Sealers.
- Available in 48mm and 72mm widths.

“...the tape worked better in our case sealer, didn’t stick to the taping head, and not only was the initial tape tack successful, all the boxes stayed closed and went right into the freezer with no issues.”

— Wholesale Dessert Manufacturer

Tape 371+ knocks out the competition.

Fiber Pull Demonstration: Shows how much paper fiber the tape pulls off the box upon removal. The higher percent of fiber pull, the stronger the tape bond is to the box.

Product	Tape Structure (Backing/Adhesive)	Adhesion to Steel oz./in. (N/100mm)	Tensile Strength lbs./in. (N/100mm)	Elongation at Break (%)	Total Thickness mils (mm)	Available Color
