Clean Sanding Solutions

Go for performance.

Leave the dust behind.

Revolutionize your metalworking processes with the new 3M Xtract™ Clean Sanding Solutions

Take your sanding system to the next level with 3M and help improve productivity, performance, and the final finish.

3M Xtract™ Cubitron™ II Net Disc 710W

3M Xtract™ Cubitron™ II Net Disc 710W offers industry-leading cut-rate and helps create cleaner working environment thanks to an innovative dust extraction technology.

- Up to 97% dust extraction for a **virtually dust-free work environment**
- Featuring the exclusive **3M Precision-Shaped Grain technology**
- Designed for the **metalworking industry** to help you deliver excellent finish each time
- Available in grades ranging from 80+ to 320+

The ultimate sanding system

With the premium 3M Xtract™ Net Discs, we've eliminated the tradeoff between dust extraction and disc performance, so you no longer have to compromise.
