

# Turning Kits

Gain an edge in Steel Turning

Turning kits available May 1-31, 2021

Today, depending on the market demand, reducing production cost or increasing output is a top priority for making steel turning operations more efficient. Common challenges often involved are to increase metal removal rates, reduce cycle times and to minimize material waste, but can also include optimizing tool inventory and to operate at lower capacity without compromising process security.

Sandvik Coromant offers a complete, market-leading steel turning offer, developed to help your business thrive and production to reach new levels. The new generation steel turning grades are enhanced in every aspect, from tool life to wear and heat resistance, offering secure, efficient and productive steel turning.

## First choice for Steel Turning

**CREATE YOUR KIT!**

Choose 1 holder and 10 inserts.

Consult with your DGI Supply Representative on the best selection for your application.

**DCLNR/L 16 4D Kit**  
**\$181.99**
