Get your facility sparkling clean with super-concentrated Task2™ Grime Fighter

Offer extended by popular demand!

Get floors squeaky clean AND get a \$240 value promo offer FREE.

Buy a drum of Task2™ Grime Fighter and get a Fluid Proportioner FREE!*

The clean solution

Master STAGES™ Task2 Grime Fighter industrial strength cleaner and degreaser costs less and does an amazing job! Certified “Readily Biodegradable” by OECD, Task2 is free of butyl, caustic, silicate, phosphate, nitrite, phenol, and borate.

Lower your cost per gallon with super-concentrated Task2 Grime Fighter. Use full strength for the toughest soils or dilute Task2 GF at these ratios with tap water for effective cleaning:

- 1:3 Heavy, greasy, oily soils
- 1:10 Machine tool surfaces and mop buckets
- 1:30 Spray bottle cleaning or sponge washing walls
- 1:100 Windows or glass surfaces

The deal

For a limited time only, get a Fluid Proportioner **FREE** with the purchase of your first drum of Task2. The precise, dilution-at-hand Fluid Proportioner (a \$240 value!) features a maintenance-free, dial-a-blend selector knob that controls the precise mix for the desired use.

*** Offer extended through June 30, 2022.**

**Free mixer applies only to first drum purchased.
Master Fluid Solutions will install and set up
your Fluid Proportioner FREE of charge!**

**To get it really clean, get out the grime with
Task2 Grime Fighter before using a disinfectant!**
