

FIRST CHARGE NO CHARGE® FREE COOLANT FOR DGI CUSTOMERS

WILL YOUR METALWORKING FLUIDS BE READY WHEN YOU ARE?

Getting back to work doesn't have to be costly.

Your machines are ready. Your tools are ready. But, will your machining and grinding fluids be ready? Do you want to start fresh with a total clean-out and emptying of coolant? Has your coolant broken down? This could mean high coolant replacement costs.

DGI & Master Fluid Solutions® are offering **new customers** the opportunity to fill their **entire facility FREE OF CHARGE** at a time when they need it the most. The benefits are clear:

- Save on the cost of purchasing new coolant
- Technical guidance to ensure success and **FREE** laboratory analysis of samples
- Fulfilled using Master Fluid Solutions' TRIM® premium coolant; leading technology, high performance, long sump-life, and low maintenance metalworking fluid.
