10% Cost Savings GUARANTEED!

We're so sure you'll save money with our coolant that we guarantee it. Switch over to any TRIM®
coolant and we'll save you a minimum of 10% annually on coolant costs
OR WE'LL PAY THE DIFFERENCE PLUS AN ADDITIONAL 10%!

Simply agree to a **FREE** 30-day, product test of TRIM® coolant. After the trial period, sign up for the
cost savings offer*. We'll change your facility to TRIM® and assist with the conversion plan and process
as needed. With full conversion, your 10% savings offer begins and you start saving.

The benefits are clear:

✓ Fulfilled using Master Fluid Solutions' TRIM® premium coolant; leading technology, high performance,
   long sump-life, and low maintenance metalworking fluid
✓ Save on the cost of coolant
✓ Technical guidance to ensure success and **FREE** laboratory analysis of samples

Call us today to take advantage of this offer
+1 800-537-3365 or contact your local District Sales Manager.

For more resources such as advice on clean outs, managing sumps and more,
please visit masterfluidsolutions.com or visit us on social media.

*Terms & conditions apply. A 10% savings measured from the time of full conversion. The addition of machines,
volumes, or production changes will be segregated from the calculation. Participation must be approved
in writing prior to conversion by Master Fluid Solutions (MFS). If a minimum of 10% cost savings is not
realized, MFS will pay the difference plus an additional 10%. Customer agrees to proper coolant management
recommendations and an appropriate management schedule to optimize their process specified by MFS. The
exact number of machines and volumes will be documented up front as savings are calculated from the prior
12-month baseline Offer applies only to new MFS customers not currently running TRIM® coolant. Program valid
until December 31, 2021.
